

Make Mine Chocolate!™

Compassionate Photography

Alternatives to live animals:

- Brightly packaged chocolate bunnies
- Realistic-looking toy bunnies
- Lavishly decorated Easter baskets
- Vibrant Easter eggs
- Fuzzy stuffed toy animals
- Colorful Spring flowers

What it Means:

- Your child isn't at risk for being **scratched or bitten** by a frightened animal.
- Your children won't be encouraged to **beg** you for a **pet you don't want**.
- Rabbits, fragile animals, won't be **accidentally mishandled or injured** by an enthusiastic child.
- **Reduced demand** for rabbits at Easter
- **Reduced** numbers of rabbits neglected or abandoned

Your **child** should be the **star** of your Easter photos, not a photographer's **props**.
